Gregg Keller, National Executive Director of the American Conservative Union, presents Senator Keith Faber with the 2011 Defender of Liberty Award

COLUMBUS— State Senator Keith Faber (R – Celina) was honored yesterday with the American Conservative Union’s top award, the ‘Defender of Liberty Award’ for his 100% voting record in 2011. A ceremony was held in the Ladies’ Gallery of the Ohio Statehouse.

Legislators from various states have received the award in recognition of advocating on behalf of conservative principles and ideals.

“Preserving strong family values and fighting for sound fiscal policy are most important when representing the hard-working people of Western Ohio,” said Faber. “I am honored to represent them each day, and I am sincerely grateful to the ACU for this wonderful award.”

The American Conservative Union is based out of Alexandria, Virginia.
