Senate Democrats Select Senator Schiavoni to Serve as Assistant Minority Whip

Columbus – The Ohio Senate Democratic Caucus today selected Senator Joe Schiavoni (D-Canfield) to serve as Assistant Minority Whip. Senator Schiavoni replaces Senator Jason Wilson (D-Columbiana) who resigned last week to become the Director of the Governor’s Office for Appalachia.

“Senator Schiavoni will be an outstanding addition to our leadership team,” said Senate Minority Leader Capri S. Cafaro (D-Hubbard). “He is hard working and dedicated to improving the lives of his constituents and the people of Ohio.”

Senator Schiavoni has been a member of the Ohio Senate since January, 2009. He currently serves as the Ranking Member on both the Insurance, Commerce and Labor Committee and the Energy and Public Utilities Committee.

“I am honored to be selected by my colleagues for this leadership position,” said Senator Schiavoni. “I am excited to continue working with members from both caucuses to address the serious issues that people face in my district and throughout the state.”
