PEGGY LEHNER APPOINTED TO THE 6TH OHIO SENATE DISTRICT

Senator Peggy Lehner (right) is sworn in as state senator for the 6th Ohio Senate District. Administering the oath of office is Ohio Attorney General Mike DeWine (left).

COLUMBUS— The Ohio Senate today appointed Peggy Lehner (R- Kettering) as state senator for the 6th Ohio Senate District, which encompasses portions of Montgomery County. She replaces former Senator Jon Husted, who recently assumed the office of Ohio Secretary of State.

“I am humbled and honored to again have the privilege of representing the people of the 6th Ohio Senate District,” Lehner said. “I plan on hitting the ground running and working collaboratively with my colleagues on both sides of the aisle as we seek to transform our state and create a brighter future for all Ohioans.”

Lehner previously served as a member of the Ohio House of Representatives and spent 10 years on Kettering City Council. She also briefly served as state senator in 2009, when she was appointed to complete the term of former Senator Jeff Jacobsen.

Senator Lehner attended both American College in Paris and St. Mary’s of the Woods College, where she obtained a degree in history. She and her husband James live in Kettering and have five grown children and 10 grandchildren.
