PRESIDENT MATT HUFFMAN

OHIO SENATE, 12TH DISTRICT

NEWSLETTER ISSUE: NOVEMBER 2021

Hello,

Happy Thanksgiving to you! I trust this update finds you well, and looking forward to the extra time spent with your family and friends.

My family and I have so much to be thankful for again this year. A couple highlights include the birth of our 5th grandchild and witnessing our youngest son marry a wonderful young lady—both incredible additions to the Huffman family. I am truly blessed and I am thankful for the life and the opportunities I have been given.

I want to let you know how grateful I am for the opportunity to represent the incredible, hard-working people of the 12th Senate District. We each have an important role to play in our state and in our community, and I hope you know I am doing my best, as Senate President, to make your priorities my priorities.

My Senate colleagues and I have been working diligently on legislation to protect your rights, create clear pathways to gainful employment, and uphold the Constitution of Ohio as we have worked through the redistricting processes for both the state legislative and congressional maps. Below you will find an update on this work and more.

Please don't hesitate to reach out to my office if you have ideas or need help accessing state resources. I'm available at Huffman@OhioSenate.gov or by phone at (614) 466-7584.

Look forward to hearing from you,

Matt Huffman

Ohio's new congressional map, recently approved by the General Assembly, followed the requirements of the constitutional amendment approved by voters in 2018.

This is a **competitive** and **compact** map, that keeps communities together, and makes it clear that candidates and campaigns matter. You can view the new map [here](#) and click below to read additional details on Ohio's new congressional map.

My Senate colleagues and I have worked hard to pass a lot of common-sense legislation for the people of Ohio. Recently, I signed Senate Bill 36 to expand eligibility and remove certain restrictions from compensation paid to victims of certain severe, life-altering crimes and their immediate family members who require counseling.

My hope is that this piece of legislation will have a significant impact on providing much needed relief for victims and their families.
