

# SENATOR MICHAEL A. RULLI

OHIO SENATE, 33RD DISTRICT

NEWSLETTER ISSUE: JANUARY 2019

Dear Neighbor,

It is difficult to put into words how honored I am to be trusted to represent the 33rd Senate District. Over the first few weeks, I have had the opportunity to talk to many passionate individuals in our district about the issues that are important to our community.

Additionally, I have had the opportunity to meet with my Senate colleagues and begin prioritizing the issues we are going to tackle in the 133rd General Assembly. I am confident we are going to take many steps in the right direction to reform burdensome regulations, improve the economic climate for Ohio small businesses, and address many of the complex issues facing our state.

While it is clear we have our work cut out for us, I am confident that with your continued involvement we will take great strides to make Ohio an even better place to live, work and raise a family. Please do not hesitate to contact me at (614) 466-8285 or by email at [Rulli@OhioSenate.gov](mailto:Rulli@OhioSenate.gov).

Sincerely,

Senator Michael Rulli  
Senate District 33

# Ohio Business Road Map

Starting a business can often seem intimidating, overwhelming or simply unattainable. However, as a whole we have seen Ohio take great strides to reduce the tax burden, cut regulations and make entrepreneurship more attainable for Ohioans. As the operations manager of a local, family owned grocery store, I have first hand experience in the every day challenges that are faced by those who create jobs and employ the bulk of Ohioans.

With the right passion and drive, anyone can make their dream business a reality. For information how, I encourage you to check out the Ohio Secretary of State's Ohio Business Road Map for a clear explanation of the steps you need to take to get started.
